Programs for Ages 3-6

Developed for children 3 to 6 years old, Monarch's Child Care Program is designed to let parents have free time on the slopes knowing their children are having fun and are supervised with our specialized staff. Food, lessons, rentals, games and naptime (if needed), all under one roof - and just outside, their own private winter playground. Our caring staff treat your little ones like their own, making them feel safe, secure and comfortable. You can relax and enjoy your day knowing we'll be providing a fun, educational experience for your child. Our Child Care Programs have hourly, half & full-day schedules and we are open from 8:30am – 4:15pm daily.
