

MONARCH JUNIOR BUTTERFLIES

Monarch's Junior Butterflies program is designed for skiers or snowboarders ages 5-6. The program consists of four, one hour and forty five minute sessions on Fridays. Instructors will work with a small group of students to explore the sport of skiing and help instill an enthusiasm for the winter play environment. This program is unique in that it is really a working relationship between the students, the parents, and the instructor. A parent will need to attend and participate each day of the session. This will allow us to ride the lift and explore more of the mountain. Throughout the program in addition to focusing and developing the child's skills the instructor will coach parents in terrain selection, lift procedures and successful facilitation of their child's skiing and riding experience.

We want our programs to be fun, with no pressure, and reasonable expectations. We will do our best to meet the individual needs of each child and group them in the appropriate classes based on age and ability. Instructors will work with students to explore the sport of skiing and help instill an enthusiasm for the winter play environment. We will play a lot of games and take rest and bathroom breaks as needed. Some class time may occur inside due to weather or other considerations. During these times instructors will facilitate the students' comfort with equipment and train muscle memory through indoor

movements. If at any time you have any questions or concerns about what is happening please do not hesitate to ask the Youth Program Coordinator directly or at programs@skimonarch.com

What to wear:

Your child should wear warm layers of clothing under a waterproof jacket and pants. Students should wear warm waterproof mittens, a warm hat and one pair of warm socks. Wool or synthetic clothing is preferable to cotton garments as cotton absorbs water and does not hold body heat. Goggles and a helmet are also strongly recommended.

Equipment:

Each student will need to have their own equipment including ski boots and skis. Rentals can be arranged with the Lesson Center Desk in advance of each class.

Release of liability, season pass and enrollment forms must be completed, signed and mailed with payment to:
